#### **About ERC Dataplus**

ERC helps employers qualify, track and hire better performing hourly employees faster and at a lower cost. ERC's Selectech<sup>®</sup> Candidate Management System is the only modular system that integrates Internet and proprietary IVR (telephone), which allows employers to elect the functions they need to accomplish their tactical and strategic goals. Selectech CMS pre-qualifies applicants based on custom questions developed by our recruiting experts, provides an online eApplication for easy upload to HRIS systems (such as the PeopleSoft<sup>®</sup> Enterprise Candidate Gateway), and integrates background screening and WOTC administration to eliminate burdensome and costly paperwork. Additional modules include validated, legally defensible predictive pre-hire assessments, automated interview scheduling and confirmation, fax/email job postings, and automated candidate status line.

#### **About ARGOS Assessment Company**

ARGOS Assessment Company, a division of ERC Dataplus, is the multirater scoring company for organizations with active employee development programs. ARGOS<sup>®</sup> Multirater Assessments is the most functional, cost-effective data collection, scoring and delivery system available. It offers medium and large organizations the accuracy, ability to configure, and delivery speed to meet their tactical and strategic multirater assessment needs. AAC is the only company that offers integrated, proprietary Internet and/or IVR (telephone) data collection to insure that all employees, including those without Internet access, can participate in feedback programs.
